Summer 2015: We do not have Advanced AdultSkate sessions in the summer and will resume in September. However, we do have limited space on some of our Comp/Open sessions from May 25-August 7. We will be able to accommodate a limited number of adults who are at the Junior Silver test level or higher. If you are interested in skating during our Bootbreakers and Summer sessions, please send your request to Lynne Koper at lynne.koper@gmail.com.
