Bootbreakers (May 14-June 28) schedule will be posted on our website this month. Since this is part of our 2017-18 Skating School, you are not required to register for Bootbreakers. However, all skaters must submit a Session Request Form by April 20th.

Summer Camp (July 2-August 10) info will be posted on our website this month. Registration deadline is April 20th; register early as space is limited. Any outstanding fees owed to the club and coaches must be paid before registration will be accepted.

KAETLYN OSMOND
2018 OLYMPIC GOLD & BRONZE MEDALIST

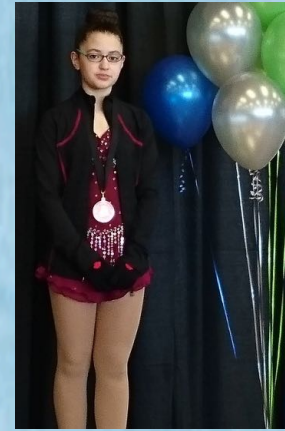

Congratulations, Kaetlyn! We are so proud of you.
You are an inspiration to all of us at the Ice Palace!

Skate Canada's STARSkate Program

STARSkate offers opportunities for skaters to develop skills in four different areas: ice dance, skating skills, freeskate, and interpretive skating. Skaters have the opportunity to take Skate Canada tests through a nationally standardized testing system. Skaters may choose to remain in the STARSkate Program or may transition to the CompetitiveSkate Program (dependent on age and skill level).

Linda Elbanna

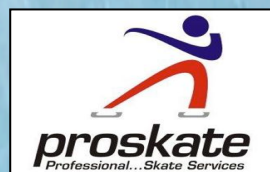

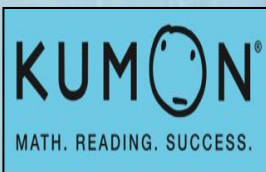

Linda is currently participating in the STARSkate path of Skate Canada's competition and testing system. In the past year, she passed tests in three disciplines: freeskate, dance, and skills. Keep up the great work, Linda!
