

WELCOME TO THE 2021-22 SKATING SCHOOL

The Ice Palace Figure Skating Club is committed to ensuring that all of our activities adhere to all regulations and will take every precaution to ensure the health and safety of our members. We look forward to another year of high quality training for our dedicated athletes and wish all of them a safe and successful skating season!

Please check our website regularly for information and updates. The Calendar of Events has been updated for the season, but note that additional events/revisions may be added throughout the year.

SIMULATIONS

We will be having Competition Simulations to help our skaters prepare for the upcoming competitions. Simulations help athletes find their comfort zone in competitive situations. Our regular schedule will be altered to accommodate these simulations. Please contact Ravi if you are interested in playing music.

SPONSORSHIP & ADVERTISING

As one of the most prominent and successful clubs in Canada, the Ice Palace offers many advertising opportunities for our sponsors. Our sponsorship packages range from \$700-\$7,500 and provide great visibility for any organization! If you know any businesses that might be interested in supporting our club, please contact the office for a sponsorship letter.

25% of any sponsorship dollars you collect will be recorded as a credit to your child's skating account!

The Ice Palace FSC pays the coaches' competition expenses (travel, hotel, etc) for home club members at selected competitions. The following competitions will be paid:

⇒ All “Qualifying” competitions / Sectionals, Challenge, Nationals, etc. (singles & dance)
